Key points: The earliest references to yoga appear in the Rigveda, where it is associated with meditation and spiritual discipline. The conceptual foundation of yoga as a means to transcend everyday consciousness began to take shape during the Upanishadic period (circa 800-400 BCE).

The Development of Classical Yoga The classical period of yoga, often considered the golden age, is largely associated with the compilation of key texts such as the Yoga Sutras of Patanjali (circa 2nd century BCE).
